

# Senior ADULTS

On Tuesday, July 10, the Elderberries will travel to Smyrna, TN to tour the well-known Nissan Plant to see how cars are made. The tour is a very interesting ride through the air-conditioned plant. We have twenty four (24) places reserved.

Be the first to sign up on the fellowship bulletin board. We will have lunch in Smyrna after the tour.

Dear HHBC Family,

Thank you for all your prayers, love, and support during this last month of my brother, Terry Pegram's, life.

Love, Rhonda McConnell and Family

Many thanks to all our World Changers students and adult helpers who worked tirelessly to paint the offices at Haywood Elementary School. Elizabeth Colone, our contact for Haywood Elementary, expressed multiple times her thankfulness and pleasure at all that was done. As she said, "You guys are awesome!" and we think so too.
